

Dear Santa,

I have been really good this year. This year I want a scooter, drone, soccer carpet, and also a soccer net. If you can get me those things I will be really happy. I have a question for you Santa. Do your reindeer really like candy canes? I also have another question for you. What is your favorite food? Mine is salmon, which is a type of fish. I also have two dogs, one is named Blitz and the other one is named Vinny. I would appreciate it if you put dog treats in their stocking. Did you know that I really like christmas. We always put up decorations in my house. I have just one more question for you. When do you start making toys for all the kids around the world. Have a merry

christmas.

Waiting Anxiously,

Ethan
