

Dear Santa,

My name is Nicholas and I'm going to Eastwood school. I like going to school but this year is so wired, I hope we will go back soon. I have a question for you and my question is how many elves do you have going all around the world. Hope to see one in my house. We have one rule and the rule is that everybody needs to wear a mask. Make sure you tell your Elves and Raindeer to wear the mask. I like to see it because that would be funny.

What I want for Christmas is a new Iphone because I found an Iphone that was broken and it's not working.. And I hope the Covid goes away next year so when I see you I can kiss you!

The end:)

Waiting Anxiously,

Nicholas Heis
