

Dear Santa,

My name is Briar Linton, and I am 6 years old. I shot my first buck this year with my dad, and I am really excited! I hope when you come to visit me you get to see my horns, I will leave them by the fireplace for you to see.

If you can I would really like to have a fish tank for my new bedroom, and I would really like for you to see my new bedroom when you stop at my house. I would really like to have a nintendo switch, and can you please bring my dog a toy.

I love you Santa and Happy Birthday Jesus!

Waiting Anxiously,

Briar Linton
